Re: COVID-19 PANDEMIC

Dear Hauler,

Due to the recent events with the COVID-19 pandemic, in the interest of protecting and limiting staff exposure to sewage and outside contractors, the Municipality will be temporarily suspending operations of the septage receiving program to ensure staff remain healthy and are able to provide continuity of service as it relates to the Municipality's Wastewater Treatment Plant's mandated regulatory compliance.

The Municipality will contact you when operations of the septage receiving program will resume.

We thank you for your patience and understanding during this uncertain time.

Sincerely,

A handwritten signature in blue ink that reads 'Abby Armstrong'.
